

AVINASH M.B

ABOUT ME

Passionate and tech-savvy BCA student at Swami Dayananda College of Arts and Science, eager to explore the world of coding and software development. I thrive on solving complex problems and continuously learning new technologies. Beyond academics, I'm a sports enthusiast, a music lover, and an anime fan, which fuel my creativity and teamwork skills. Known for my strong communication abilities, I enjoy speaking and engaging with people. I'm looking for opportunities to apply my skills, grow professionally, and make an impact in the tech world.
